Eligibility Criteria

The USU Financial Aid Office can help make a degree financially possible for every qualified USU student. However, federal financial aid is just one part of a payment strategy that should include money saved by the family and student for attending school as well as

scholarships and waivers. Grants, student loans, parent loans, and work-study funds are offered to students who qualify to help increase access to higher education. Please contact the Financial Aid office for more information

Referral Process

At Utah State University we are proud to offer our students a world-class education that is tailored to fit your LIFE GOALS. So whether you are a high school student ready to begin your university experience, recent college undergraduate looking into graduate studies, or

an international student looking for a broader horizon, USU's engaging and supportive community is ready to help you achieve your potential. Please contact the USU Admissions Department for more information.

At USU, we strive to impact our community, the nation, and the world. Utah State gives students a unique opportunity to research in almost every degree. You won't be limited to just a classroom. From artistic expression to scientific exploration, from farmland to space, Aggies go wherever the research takes them.
